

Hey Everybody,

I was wondering if you could help me spread the word about Purple Day and become a Purple Day Ambassador. Purple Day is where you wear purple on March 26th every year. I need people to help because Purple Day is for helping people with Epilepsy to let them know that they aren't alone—that's why we wear Purple (the international colour for epilepsy!).

In the last couple of years, Purple Day has grown worldwide and if more people join up we can make it a lot bigger.

Visit www.purpledaily.org to get some event ideas and bookmarks and lots of other stuff to help! Sign up to be a Purple Day Ambassador where you live and together we can make Purple Day even bigger this year.

I can't wait to see your ideas and work with you.

Thank You,

Cassidy Megan :-)
